***Statement From Congressman Carson On President Bush's Speech  
Speech Gave Saddam 48-Hour Ultimatum***

Washington, D.C. --

"I believe the President stated clearly that the time for Saddam Hussein has run out," said Congressman Brad Carson (D-OK). "For over a decade, this tyrant has played cat and mouse with the diplomats of the world. I support President Bush and the extremely capable men and women of the United States armed forces in the pursuit for a peaceful and just world. The world spoke with a unified voice in U.N. resolution 1441 and the powers of the United States along with our allies will carry out the consequences of this resolution."
